

THE MIT PRESS ESSENTIAL KNOWLEDGE SERIES

ESSENTIAL KNOWLEDGE
SERIES EDELWEISS CATALOG:
[HTTPS://BIT.LY/3RKDDSO](https://bit.ly/3rkddso)

The MIT Press Essential Knowledge series offers accessible, concise, beautifully produced books on topics of current interest. Written by leading thinkers, the books in this series deliver expert overviews of subjects that range from the cultural and the historical to the scientific and the technical. In today's era of instant information gratification, we have ready access to opinions, rationalizations, and superficial descriptions. Much harder to come by is the foundational knowledge that informs a principled understanding of the world. Essential Knowledge books fill that need. Synthesizing specialized subject matter for nonspecialists and engaging critical topics through fundamentals, each of these compact volumes offers readers a point of access to complex ideas.

- **Counter display holds 16 copies either spine out or grouped behind 2 face-outs**
- **Counter display will be available in our system under its own ISBN**
- **Minimum order quantity to accompany the free display: 16 units across at least 4 different titles**
- **24 displays are available as of April 2022**
- **Net weight: 1.20 (PD) Length: 11.20 (IN) Width: 9.50 (IN) Depth: 7.50 (IN)**
