

## MATCH your customers to the DK books that are the right fit for them

About half of all U.S. students receive Lexile<sup>®</sup> measures from national, state, and local assessments. Students get a Lexile<sup>®</sup> measure from an assessment of English language arts or reading. **In the following states**, students are provided with Lexile<sup>®</sup> measures through annual state assessment programs. The Lexile<sup>®</sup> measure is reported to parents and teachers to improve a student's reading ability.
