

THE LAST INTERVIEW

CELEBRATING SOME OF OUR EDGIEST, MOST INTERESTING AND IMPORTANT CULTURAL ICONS, “there’s so much to like about the classy Last Interview series,” according to Maureen Corrigan on NPR’s Fresh Air. Collecting thoughtful interviews from throughout their careers, and presented in a striking package with a colorful portrait on the cover, “you just might want to collect them all,” as Michael Dirda noted in the Washington Post. “They do look good when grouped together on a shelf.”
