

# READ AND LAUGH ALONG WITH NEW TITLES FROM HELEN YOON!

## HAVE YOU SEEN MY INVISIBLE DINOSAUR?

The creator of *Sheepish (Wolf Under Cover)*, *Off-Limits*, and *I'm a Unicorn* brings her original whimsy to the tale of a child's special friend who goes missing after a bath—or does he?

Help! This little girl has lost her best friend. He's a dinosaur (not the extinct kind). He's enormous (bigger than a panda!). He was last seen before she gave him a bath and washed off all the mud (maybe that wasn't a good idea?). She's tried to lure him with snacks and put up *Lost Dinosaur* posters, but nothing has helped. If only it weren't such a clear day—if only it were raining, or snowing, or the leaves were falling, or . . . *something*. Would it help if she drew a picture? With delicate visual sleights of hand and an underlying sweetness, author-illustrator Helen Yoon invites us to see through a child's eyes.

**Helen Yoon** is a professional illustrator and a freelance concept designer. She attended ArtCenter College of Design and the University of California, Irvine. Helen Yoon lives in the Los Angeles area.

# GET READY TO GIGGLE!

## I'M A UNICORN

What happens when a one-horned calf with impeccable logic is convinced they're a unicorn? Helen Yoon spins an endearing comedy of self-determination for gigglers everywhere.

"See?" cries the calf. "*Uni* means one, and *corn* means horn!" Even their baby picture proves it: they were born with one horn! But as the eager little calf continues their research, a budding identity crisis arises when they realize they don't *quite* check all the boxes—should a certain lack of moonlight sparkle or silky mane or rainbow poop decide the issue. Perhaps some unexpected encouragement from a pack of "real" unicorns might be just the assurance they need? Helen Yoon, the comic talent behind *Sheepish (Wolf Under Cover)* and the anarchic *Off-Limits*, returns with a clarion call for self-doubters everywhere to embrace who they are—unicorn or otherwise.

# OTHER LAUGH-OUT-LOUD READ-ALOUDS

BY HELEN YOON

## OFF-LIMITS

In a joyful ode to office supplies, Helen Yoon leads a celebration of just-for-once breaking the rules—and offers a final, funny nod to adults who harbor a similar urge.

Dad's office is off-limits—which only makes it more intriguing to his curious young daughter. As soon as she sees an opening, she sneaks in to have a look around. After all, there's no harm in just looking, right? What she discovers is a magical wonderland of sticky tape, paper clips that make glorious strands, and a kaleidoscopic array of sticky notes. Who could possibly resist playing with those?

★ "This delightful story incorporates the wistful dreams of both parent and child alike, especially in the current WFH reality. . . . Dynamic visuals and playful textual placement will captivate the attention of a range of readers. . . . A humorous and accessible story for young readers." —*School Library Journal* (starred review)

★ "Yoon uses the drama of the page-turn beautifully, typography is employed creatively, and the book is perfectly paced. . . . Open the door to this spectacular book and run in." —*The Horn Book* (starred review)

"It reads aloud better than any other picture book I've encountered this year and you can read it over and over and notice something new each time you do."  
—*A Fuse #8 Production*

## SHEEPISH (WOLF UNDER COVER)

With a charming twist ending and lots of visual fun—including the running theme of Wolf's disguise not being quite as convincing as he thinks—this hilarious take on the wolf-in-sheep's-clothing will have readers howling for more.

Wolf dreams of tasty sheep—sheep sandwiches, sheep sushi, sheep tacos! In his clever sheep costume, he infiltrates the friendly neighborhood herd, blending in by helping with chores, reading bedtime stories to the lambs, and working up a sweat in sheep aerobics class. Wolf's sneaky plan works so well, he becomes part of the family. And suddenly, the sheep don't seem quite as tasty. . . .

★ "The straightforward story unfolds with simplicity, wit, and a certain irony based on the sheep's knowledge of the wolf's secret. While their awareness of his duplicity gives them the upper hand, their decision to befriend a would-be enemy makes them completely lovable. A well-crafted picture book that's great fun for reading aloud."

★ "A wolf in sheep's clothing gets the wool pulled over its eyes. . . . Giggle-inducing illustrations depict the wolf helping the sheep wash dishes, do laundry, bake, cut wood, enjoy exercise class and shuffleboard, and read to youngsters. . . . This amiable tale comically explores how love and acceptance can turn a dedicated curmudgeon's stony heart to mush. The dynamic, cartoonish illustrations are the real draw and will capture kids' chuckling attention. . . . Kids will wolf this one down—and won't feel sheepish about it." —*Kirkus Reviews* (starred review)
