# Back in stock for the holiday season!

The spectacular illustrated collector's edition of James Joyce's epic novel is available again, illustrated by Spain's master neo-figurative artist, Eduardo Arroyo. It was published on the 100 year anniversary of the original publication in February, 2022.

Eduardo Arroyo (1937–2018) dreamed of illustrating James Joyce's *Ulysses*. Although he began work on the project in 1989, it was never published during his lifetime: Stephen James Joyce, Joyce's grandson and the infamously protective executor of his estate, refused to allow it, arguing that his grandfather would never have wanted the novel illustrated. In fact, a limited run appeared in 1935 with lithographs by Henri Matisse, which reportedly infuriated Joyce when he realized that Matisse, not having actually read the book, had merely depicted scenes from Homer's *Odyssey*.

This edition of the classic novel, which quickly sold out earlier this year, features three hundred images created by Arroyo—vibrant, eclectic drawings, paintings, and collages that reflect and amplify the energy of Joyce's writing.
