the author of
*The Airport
Book*

When a little girl develops a bad stomach ache, it's time to go to the hospital. We follow her experience from arrival through diagnosis, anesthesia, and recovery.

Lisa Brown is a graphic novelist as well as a picture book creator whose talents inform the design of this book chock full of speech bubbles that will delight kids and parents alike. Fans of her hugely successful *The Airport Book* will instantly recognize the girl and her family.

★“Intricately detailed and colorful.”

—Booklist

★“A wonderfully effective, reassuring look at an often scary experience.”
