## Every Body

A Celebration of Diverse Abilities

SHELLEY ROTNER

Celebrating children of different abilities, this photographic book presents large, clear images of children moving around their community, using scooters, wheelchairs, walkers, and more.

The text presents their experiences navigating the world, from the park to the beach, in simple relatable language. *Every Body* celebrates children with varying abilities, covering neurological differences, physical differences, and health challenges.

**SHELLEY ROTNER**, a National Geographic photographer and prolific children's author, applies her trained eye for crisp details in this latest book for young readers.

Includes contributions from internationally-known disabilities activist Judith Heumann whose work is profiled in the oscar-nominated Netflix documentary *Crip Camp*.

“An upbeat, welcome introduction to disability.”
