“One of my favorite things about Hal is how much he cares about other people. *The Miracle Morning* was born from that compassion and the reason it’s gone from a book to a movement is that it comes from Hal’s heart. If you’re one of the people who hasn’t read this book yet, then what are you waiting for? It may change more than your mornings. It may actually change your entire life.”

REAL-LIFE STORIES OF TRANSFORMATION FROM MIRACLE MORNING PRACTITIONERS

“*The Miracle Morning* has changed my life completely. I HATED mornings; it was the worst part of the day for me. Then my sister told me about this book, and I knew it was my chance to change everything. So, I completed the 30-day challenge, and here I am: happy in the mornings, super-efficient, positive, and satisfied with nearly all aspects of my life.”

—**Jane Bavaro** (3 years practicing)

“I’ve been doing the Miracle Morning for six months. I’m a father of two little guys, work full-time as an engineer, and have long been considered a night owl. After reading the book, I consciously decided to make a change, and now I get an extraordinary amount done each morning before everyone else wakes up. Making reading a priority every day has increased my knowledge greatly in a short amount of time, and scribing (journaling) enables me to consistently gain clarity and flesh out all my ideas in a constructive way. *The Miracle Morning* is a total mindset shift!”

—**Charlie Ussery** (6 months practicing)

“I am on my consecutive 60th day of my Miracle Mornings. I have never done a habit for 60 days continuously, which in and of itself is an achievement. Here are just a few of the benefits:

(1) My mind has been calmer than ever because of meditation/silence. I am being more conscious of my emotions. (2) My physical fitness has improved as I have cycled over 200 km.

(3) I am more organized in my daily activities and eliminate unnecessary tasks.

(4) I am spending more time with family, and I have even inspired my wife and kids to do the Miracle Morning. I am thankful to Hal for this wonderful book.”

—**Dayananth Varun** (2 months practicing)

“I’ve been practicing the Miracle Morning for over seven years. It has been my guiding force through depression and anxiety, during infertility treatment, through the grief and loss of two of my triplets, and the extremely complex medical journey of my four-year-old. When people ask me how I’ve managed to keep a positive mindset throughout my devastating adversity over the last five years, my answer is always the same. *The Miracle Morning*... without it, I’d be lost.”

REAL-LIFE STORIES OF TRANSFORMATION FROM MIRACLE MORNING PRACTITIONERS

“When my wife of 40 years died from cancer, I quit trying and gave up. I didn’t have any hope or vision for the future. *The Miracle Morning* and the S.A.V.E.R.S. transformed me from feeling sorry for myself and living in the past to starting a new chapter in my life. Today is day number 255 of my Miracle Mornings, and I’m excited for today and tomorrow. So go for it. You can do it. And high five! You are a winner.”

—Dan Copelin (10 months practicing)

“I had accepted that I was not a morning person. After reading and implementing *The Miracle Morning*, I look forward to each morning now that I have one hour to myself. All my positive character traits are growing. I notice that I am more cheerful, energetic, alert, and so much more. I’m a better father, a better husband, a better friend, and a better colleague. I just started four weeks ago, and these are the benefits so far. I know I will grow so much more and take the lead over my own life instead of passively undergoing it.”

—Bas Boska (30 days practicing)

“*The Miracle Morning* has changed me at my core. I was never an early person or a consistent person. I would hit snooze 100 times. But with *The Miracle Morning*, I found that I never wanted to miss a day because I was afraid I’d fall off the wagon. I know me, and I know that if I don’t do it every day I won’t continue. But I feel so accomplished, so productive, and so proud that I can say I’ve done this for over 150 days!”

—Eleni Brooks (150 days practicing)

“Before discovering *The Miracle Morning*, I was not a morning person. I remember reading the book and thinking about how I would love to feel inspired and motivated to live as the highest version of myself every day. At the time, I was inconsistent with my routines and habits, which often left me feeling frustrated and depleted. That all changed when I started doing S.A.V.E.R.S. Now, a year and a half later, I’m up at 5:15-5:30 am every morning, including weekends! I strive for Level 10 living in four quadrants: health, wealth, self, and others. With this as my anchor, I can honestly say I live in this space the majority of the time. It has been *life changing*!! I’ve lost 33 pounds, paid off two credit cards, and now I seek to impact others each day with random acts of kindness. Blessing others is a true joy! I am so thankful I took a leap of faith and embraced *The Miracle Morning* and S.A.V.E.R.S. into my life!”
