

The Playlist of My Life

A Music and Lyrics Journal

Your life has a soundtrack—a playlist that is uniquely yours. From the beat that gets stuck in your head to the lyrics that stir your heart, music plays a special role in your life.

With The Playlist of My Life guided journal, you will celebrate the music that has shaped you into the person you are today. You will be able to collect your favorite songs, artists, and concerts; revisit amazing musical memories; and create your ultimate playlists for every occasion. Decorated with quotes from famous musicians and packed with writing prompts to get you thinking about what music means to you, it's the perfect space to record the ultimate playlist of your life.

No matter which musical genre you love or whether your tastes change with the seasons, The Playlist of My Life is the perfect gift for all music lovers!

Music nostalgia has become the ultimate trend with #Nostalgia and #vinylrecords trending with 54.9b and 1.08m views respectively on TikTok.
