Praise for *My Men*

"Kielland plumbs Belle's inner life through jaggedly rhythmic prose, where what should be obvious is sometimes opaque and what's often shrouded — female rage — takes center stage." —Sarah Weinman, *The New York Times*

"The torrent of stunning prose in this novel is almost as violent as the protagonist, Belle, herself."

—Alana B. Lytle, *CrimeReads*

"*My Men* is a stylistic tour de force." —Tom Nolan, *The Wall Street Journal*

"Victoria Kielland's *My Men* doesn't take a sensationalistic approach; instead, this novel provides an impressionistic version of Guinness's story."

—Tobias Carroll, *Words Without Borders*

"I found myself repeating lines under my breath in the shower; that's how much this book slipped under my skin." —Ian J. Battaglia, *Chicago Review of Books*
