Highlights

We believe that **Children are the world's most important people**

We are the country's leader of children's content. We have unprecedented access to consumer families with children ages 0–12 years, and we partner with some of the world's most prominent brands.

Highlights has sold more than 10M copies of books through retailers in the last 10 years.

Highlights has **over 77 years of publishing experience** creating highly engaging content for kids. We have a paid monthly subscription relationship with over **2 million households**, which represents an impressive **6% of all US households with kids**.

We cross-promote our books in our magazines through **monthly Editor's Picks** and **Cover Wraps**, maximizing awareness with a highly engaged subscriber base—750K High Five families and 800K Highlights families.

To ensure we're making the best products possible, our editors test content and components from forthcoming books with kids in the target age range. We incorporate their feedback, and we credit them in each book to acknowledge their hard work.
